1:1 MATCHING GRANT OPPORTUNITIES

YOUTH ENGAGEMENT GRANTS

LEARN MORE

Nebraska Community Foundation's Youth Engagement Grants were created to unleash intergenerational collaboration. These opportunities are matched 1:1 with local affiliated fund grants toward youth-led projects, projects that engage youth, and projects that bring generations together in community. FAC members are invited to connect with local young people to dream about the future of their community, together.

CIVIC EXPERIMENT GRANTS

LEARN MORE

Nebraska Community Foundation's Civic Experiment Mini-Grants ignite local creativity, strengthen civic engagement, and transform bold ideas into tangible community experiments across Nebraska. These grants, matched 1:1 with the local affiliated fund, empower FACs to leverage local assets, build connections, and design innovative initiatives that reflect their hometowns. Through this process, NCF hopes to inspire experimentation, celebrate community ingenuity, and foster a network of civic learning and collaboration throughout Greater Nebraska.

Now extended through 2027!

LIBRARY CONNECTION GRANTS

LEARN MORE

Nebraska Community Foundation's Library Connection Grants support collaboration between NCF affiliated funds and Greater Nebraska public libraries. These grants, matched 1:1 with the local affiliated fund, unleash local imagination, possibility, creativity, and collaboration. Through this process, NCF hopes to inspire experimentation, celebrate community ingenuity, and champion local FACs who want to co-create robust opportunities with libraries throughout Greater Nebraska.
