

COLUMBUS AREA COMMUNITY FOUNDATION

A Come-Back/Give-Back Approach to Community Building

The Columbus Area Community Foundation invites you, your family, or your business to become a “Founder.”

By contributing \$1,000 today or through a multi-year pledge, you will be a “Founder.” As a Founder of the Columbus Area Community Foundation Founder’s Club you will help support community development efforts focused on leadership development, entrepreneurship, charitable giving, and youth attraction and retention.

Columbus Area Community Foundation Founder’s Club

An unrestricted community endowment will:

- Connect *leadership development* to community needs and increase the number of people in leadership roles
- Help *existing business owners* grow or transfer to new ownership, and help new *entrepreneurs*
- Empower *youth and young adults* to take an active role our area – creating stronger ties to our communities
- Encourage *charitable giving* by community members to support the hometown that has given them so much

How can an endowment help my hometown with this issue?

Having a community endowment insures that your hometown’s leaders will be able to decide which priorities are most important to fund, creating a “margin of excellence” for your community.

Unrestricted endowments help Nebraska’s hometowns to better control their futures.
