Be A Proud Donor of the 2017 Big Give to Valley County

Valley County was established on March 17th in 1873, which makes this the perfect time to celebrate our home during the 5th Big Give to Valley County! On Friday, March 17th at 10 a.m. through Saturday, March 18th at 10 a.m., people from across the country that care about our area have an opportunity to support nonprofit organizations which strive to make our county-wide community a great place to live, work, play and give!

Everyone can contribute during the Big Give by making a donation of any amount, large or small, to your favorite participating organizations and sharing your time and talents to help family members, friends and community neighbors!

To learn more go to www.ordnebraska.com/give or

The Big Give to Valley County has reaped huge benefits for our county-wide community with a combined 1,655 donations yielding contributions of over \$300,000.00 to nonprofit organizations dedicated to supporting and enhancing our rich quality of life. The benefits of the past four Big Give events do not end with the total contributions, as the annual Big Give also enhances awareness and collaborative efforts of Big Give organizations, recruits first time donors and volunteers for many organizations and engages youth to build our culture of philanthropy.

Be a Proud Donor by supporting the causes you care about most during the 2017 Big Give to Valley County. Working together we will make a lasting impact on Valley County through local philanthropic efforts for the greater good! Join us in Arcadia at the Community Center on

Thursday, March 16th at 7:30 p.m. and in Ord at the High School on Friday, March 17th at 9:00 a.m. for kick-off celebrations of the event!
