BUILDING A STRONGER TOMORROW

What is an Unrestricted Endowment?

Creighton Community Foundation Fund is focused on building a permanent unrestricted endowment. An endowment is an important tool to keep our hometown growing, thriving and improving for future generations because it creates a steady stream of revenue for community needs today and those that will arise in the years to come. Funds in the endowment are invested and continue to increase. Each year, a portion of the income earned by the unrestricted endowment is granted to local projects and programs that are enhancing quality of life in Creighton. The principal—and your gift— remains intact and grows forever.
