

PLATTSMOUTH COMMUNITY FOUNDATION

Grants Awards Overview

Vision Statement: Plattsmouth is a vibrant community that honors the past, celebrates the present, and looks to the future. The community is actively engaged in economic development and in developing youth and leaders who remain in the community and ‘give back’. All individuals have an opportunity to be leaders and to achieve personal and community goals.

Description: Each year, portions of our permanent unrestricted endowment funds are distributed to various groups and organizations in the community for specific projects. Decisions on fund disbursements are the sole decision of the Fund Advisory Committee, whose participants are elected by members of the Plattsmouth Community Foundation Fund. All decisions are final.
