Building Our Endowment

The Wayne Area Legacy Fund is dedicated to building an endowment that will grow and provide funding for generations to come. An endowment is like a permanent community savings account in that only a portion of the investment earnings are used for grantmaking. This means your gift grows year after year.

OUR PARTNERS

*YOU and everyone
in your community*

Your gift will sustain your own personal legacy through financial support of organizations that promote progress throughout our communities.

Nebraska Community Foundation

The Wayne Area Legacy Fund is an affiliated fund of the Nebraska Community Foundation (NCF), a 501(c)(3) charitable organization. All contributions to WALF are tax-deductible. NCF is confirmed in compliance with the highest National Standards of U.S. community foundations.

NCF provides financial management, strategic development and education and training services to communities, organizations and donor-advised funds across the state. Working with NCF helps WALF reduce administrative costs and provides access to a wide range of services. This means more of every dollar received in contributions will directly benefit communities in the Wayne area.

WHO WE ARE

The Wayne Area Legacy Fund is dedicated to improving and maintaining long-term viability within our area communities.

The Wayne Area Legacy Fund (WALF) is governed by local advisory committee members who have made contributions to the organization both financially and by volunteering their time. These members determine how the funds are distributed to projects in the areas surrounding Wayne.

We invite you to be a part of the legacy, promoting progress in our area. If you choose to donate you may give unrestricted contributions or choose to support one of WALF's specific projects noted in this flyer.
