

WHY DO YOU SUPPORT WYMORE-BLUE SPRINGS AREA FUND?

Growing up in Wymore I spent countless hours being active at Arbor State Park and McCandless Park. Whether it was football, baseball, track and field or swimming at Arbor State, the hours spent were great. I grew up across the highway from McCandless Park. It was my home away from home for many hours during my youth. Every summer one could find my friends and me choosing teams and playing a game of baseball for hours. During the fall it was football. I have fond memories of all the Little League baseball games we played in McCandless Park. It was, for many of us, the first real organized sports we were involved with. Any time I am home now during the summer to visit my mother, I am so happy to see the youth baseball games going on several nights a week. I see the improvements that have been made to the facility and see Wymore's youth of today taking it all in, just as I did many years ago. I am so happy to see the Wymore-Blue Springs Area Fund spearheading these improvements for the betterment of the community. Hopefully continued support will allow for more improvements to take place. I am proud to support this endeavor.

BILL KECHELY

Southern Alumnus | Class of 1970

Currently resides in Lincoln, NE

I donate to the Wymore-Blue Springs Area Fund for a number of reasons. Even though I have moved away, I still have strong feelings towards the town that I grew up in. I want to see our youth grow up in a positive environment with a strong sense of community and pride. Being part of a community means pitching in and helping with what resources you have for the good of the whole. If you don't have the money, you can donate your time; if you don't have the time, you may donate financially; if you don't have

the time or money, you can show pride, appreciation and involvement. My family unfortunately does not have the resource of time to donate to our respective communities, so we donate financially. It feels great to give back and know that I am still part of the community.

NICHOLAS COHORST

Southern Alumnus | Class of 2004

Currently resides in Gretna, NE

Growing up in the Wymore-Blue Springs Area I learned the value of hard work, doing the best job you can, and also doing your part to make things better for others. I also had an excellent educational experience and several teachers prepared me well for going to college. I give so that others can also have a positive experience in the Wymore-Blue Springs Area in a variety of ways. All gifts to the fund will help the area thrive—not just survive.

GLENDA GALLISATH

Southern Alumnus | Class of 1980

Currently resides in Crest Hill, IL

I spent the first 18 years of my life growing up in Wymore and attending school there before I moved on to college and then out of state for my career. Wymore played a significant role not only in my childhood experiences but in developing me as a person. Wymore offered experiences that are not available everywhere—the park playgrounds, baseball fields, outdoor basketball courts, the swimming pool, school sports, music, and academic programs were all great activities for me growing up. The unique downtown strip that had a variety of stores where everyone knew your name when you shopped there and being involved in town events like Sam Wymore Days and the Treasure

Hunt are things that I will always have wonderful memories of. Those experiences instilled values in me that I carry today and made growing up in Wymore fun, memorable and unique. It is something I would not trade for anything, even all these years later. On top of that, Wymore has a fantastic small-town community feel where people know each other and treat one another like good neighbors. Even though I live in the Phoenix, Arizona area today, I continue to get a sense of that small town community caring because my mom still lives in Wymore. I am proud to do anything I can to help Wymore because of all the good Wymore has done for me over my life.

JASON MICK

Southern Alumnus | Class of 1995

Currently resides in Gilbert, AZ

Jerry and I came to Wymore in 1984, planning only to stay for five years. Here it is 35 years later, and Wymore is still our home. Our three daughters were raised here, and we feel they got a great education at Southern to get them where they are today. We have many friends and connections in Wymore and it is definitely home to us, which is why we want to financially support the mission of the WBSAF. We want this to be a place of opportunities for future generations to raise families and a place they can call home.

JERRY & BRENDA REMPE

Currently reside in Wymore

WAYS TO GIVE

Your generous gift will not only help today; it will continue to grow forever. Below are a number of ways you can support the Wymore-Blue Springs Area Fund.

- CASH
- MARKETABLE SECURITIES
- AGRICULTURAL COMMODITIES
- GIFTS OF IRA
- RETIREMENT ASSETS
- REAL ESTATE
- LIFE INSURANCE
- CLOSELY HELD STOCK

One of the best ways to continually support the work of the Wymore-Blue Springs Area and help us build the unrestricted endowment is by joining our Founders Club with an annual contribution of \$1,000 or our Builders Club with a yearly contribution of \$100.

You can support our work online at
