

Neligh Area COMMUNITY FUND

Thanks for taking the time to apply for funds from the Neligh Area Community Fund.

The Neligh Area Community Fund Advisory Committee is working to build a permanent unrestricted endowment to keep our hometown area growing, thriving, and improving for future generations. Every year, the NACF Advisory Committee grants out a portion of the interest income earned by the unrestricted endowment to local projects and programs that are enhancing quality of life in the Neligh area. Currently we have some funds to grant, but our annual endowment payout is limited. The NACF Advisory Committee continues its campaign to grow the endowment so we have a larger pool of funds to grant. Thanks for thinking of Neligh Area Community Fund and for your grant application. Please be sure to indicate in your application if you plan to request more funding overtime for this program or project.

We are excited to see what we can do to help you be successful in achieving your goals.

Keep up the good work!
