Established in 2004, the Thedford Area Community Foundation Fund (TACFF) has been dedicated to the preservation and continued improvement of the Thedford Area. With your help, we are building an endowment which will create a foundation of resources to further economic development and community improvement programs for years to come.

Our Fund Advisory Committee is community minded:
President: MARCY (NEAL) ANDERSEN
Vice President: ROSELEA (BOYER) GIFT
Secretary: JAY JONES
Treasurer: JAMIE (RAY) TAYLOR

What does the Thedford Area Community Foundation Fund do?

BUILD ENDOWMENT
The endowment is the “cornerstone” of our Fund. Since 2004, our endowment has grown to over $322,000. We use the interest to make grants while maintaining a nest egg for the community that will continue to grow forever.

GIVE GRANTS
To date, we have granted over $170,000 to more than 35 organizations in Thedford, Seneca, Brownlee and Halsey. These funds have helped support important projects like the Little Girls Lost Statue, the pavilion at the fairgrounds, library remodel, and lifesaving education and equipment for our local EMTs and firefighters.

GRANT SCHOLARSHIPS
Four years ago, we established a scholarship fund. So far we have granted $13,000 to help area students foot the costs of their higher education. Our hope is that these students will return with new knowledge and help make our community even stronger.

WAYS TO GIVE
There are many ways you can support our work and your community including cash contributions, gifts of real estate, charitable IRA rollover, life insurance, and gifts of cattle or grain. Contact Jamie Taylor at jtaylorme@gmail.com or 308.645.2547 for more information.

STRENGTHEN COMMUNITY
Our goal is to make this community thrive, but we need your help! Support for the Thedford Area Community Foundation Fund comes from long-time residents, newcomers, and from people who no longer live in our area but still care deeply about their hometown. Together we will make a positive, lasting impact on the Thedford Area.
