WALLACE

... a strong, prosperous multi-generational community which prides itself on providing a family-values environment and supporting the educational system as well as the local business community.

Nebraska Community Foundation is a nonprofit 501(c)(3) charitable organization providing financial management, donor education and planned giving services.

The Wallace Community Fund is an affiliated fund of Nebraska Community Foundation. This enables our Fund to receive tax-deductible contributions.
ABOUT THE FUND

One of the goals of the Wallace Community Fund is to continue growing an endowment through which gifts made today can serve the community for generations.

When contributions are made, the funds are invested, and the principal is never drawn upon. Rather, a portion of the earnings are used for community improvements and a small portion is reinvested into the endowment to ensure its growth.

Contact your professional advisor to explore your various options of how you can get involved immediately.

All gifts are tax-deductible and will be used for community betterment. Donors may choose to give toward a specific account or make an unrestricted gift.
