
RUSHVILLE NEEDS A NEW FIRETRUCK

AND WE NEED YOU TO HELP!

The Rushville Community Fund is helping the Rushville Volunteer Fire Department, the Rushville Rural Fire Board, and the City of Rushville raise money for a new Pumper Truck. The old truck is 44 years old—a 1974 model—and it needs to be replaced!

The new truck will be owned by the City of Rushville and will be used by the Volunteer Fire Department in the Rushville area and surrounding communities as needed via mutual aide.

Help keep our communities safe!

Make your contribution by check to: **Rushville Community Fund**
Please write "Firetruck" in the memo line

Deliver your contribution to Karmen at Security First Bank or the Rushville City Hall

— or —

Give your contribution to a Rushville Community Fund Advisory Committee member: Chris Heiser, Chuck Hinn, Karmen Palmer and Steph Lovell.

Feel free to visit any of these volunteers with questions about this project.

All contributions are tax-deductible.

The Rushville Community Fund is an affiliated fund of Nebraska Community Foundation
