Beginning the 1st of June we will start taking grant applications for the 2016/2017 granting period. Applications will be accepted until July 31st at 5:00 p.m.

If you know of any charity or group that would be interested in applying, please let them know. Grant applications will be available as in the past – either online: www.nebcommfound.org/fund/nemaha-county or hardcopy that can be picked up from the State Farm Office in Auburn.

We Invite You to Join Our Fund Advisory Committee

It is the time of year for NCDFF when our Fund Advisory Committee (FAC) has reelection of returning members or election of new members.

We invite you to consider joining our group and helping us to grow NCDFF and be a force in Nemaha County. Please contact any FAC Member listed on this Newsletter or join us the 1st Monday of each month at 7:00 p.m. at the Senior Center in Auburn to find out more.

7th Annual “THANK YOU”

I can not believe that this year was the 7th Wine & Cheese that NCDFF has hosted! The years are flying by. Thanks to all our old members and new members that attended the event. The weather was great, the food was delicious - and the wine wasn’t bad either! The floral centerpiece went to Ruth Ann Schultz this year. Everyone had a great time!

Note From the Secretary
Sharon Hessler

I hope all of you took the time to read the last Newsletter regarding the importance of funding an Unrestricted Endowment.

This is something that every charity, nonprofit, government agency, and many other organizations throughout the County would benefit from.

NCDFF, just like every organization in Nemaha County, looks for ways to raise those funds to make that difference year after year.

We hope you will keep us in mind when you do your charitable giving, estate planning, memorials and milestone gifts. They will all go to support your community and leave a lasting legacy for you and your family.

To see an example of the good a NCDFF grant has done you can go to the Nebraska Community Foundation’s website and check out their Summer 2015, Connections Newsletter. On page 6 the article at the top of the page titled “Small School – Broad Reach” is about the effect that our grant to Johnson-Brock High School had on their Broadcasting Class. Following is that website address:
