

CONNECTING ELDERLY WITH FAMILY GRANT APPLICATION & PROCEDURES

Eligible Applicants | Nebraska Community Foundation Affiliated Funds

Purpose of Connecting Elders with Family Grants | Encourage and leverage grants made by Nebraska Community Foundation Affiliated Fund Advisory Committees (FACs) to purchase electronic devices and complementary equipment and compensate related staff time to connect patients or residents of hospitals, assisted living and/or nursing home facilities with family and friends.

Grant Requirements

- Grants are to be matched 1:1 with other philanthropic resources (public funds, in-kind contributions or previous grants or expenditures do not count as match)
- Grant beneficiaries must be a 501(c)(3) non-profit or owned and operated by a local government political subdivision and can be hospitals, assisted living, or nursing home facilities or aging agencies
- Monies are to be raised and granted during 2020
- Only NCF affiliated funds are eligible to apply. One application may be submitted by an Affiliated Fund
- Grant applications must be emailed to Kristine Gale at kgale@nebcommfound.org

Grants | Up to \$2,500
