

GIVING BACK WITH GIFTS OF AG

When it comes to charitable giving, think beyond cash. There are lots of out-of-the-box, tax-wise ways to give back to our community that don't involve writing a check.

The Stratton Community Foundation Fund, an affiliated fund of Nebraska Community Foundation, is well-equipped to accept gifts of grain and livestock to benefit the Stratton's community unrestricted endowment. The endowment acts like a savings account for the future of our hometown— investment earnings provide a steady stream of revenue to fund projects and programs today, 50 years from now, and forever.

With a gift of ag, the producer can claim all of their production costs as deductible expenses for income tax purposes. When a producer transfers legal ownership to a charity, like Nebraska Community Foundation for the benefit of the Stratton Community Foundation Fund, before it is sold, the producer will not have taxable income from a sale, thus minimizing taxes.

If you are interested in investing in the future of Stratton through a gift of ag, please contact a member of the Stratton Community Foundation Fund Advisory Committee.
