Together

Extraordinary times call for extraordinary actions . . . and we're lucky to live in an extraordinary community that is rising to the occasion. Stay patient. Stay positive. Reach out to your neighbors. Appreciate this wonderful community we call home. We are all in this together.

McCook Community Foundation Fund is proud to announce another four grants to support the work of community-based organizations addressing the impact of COVID-19 on the community, region, and vulnerable community members:

- \$20,000 to McCook Public Schools to bridge the homework gap
Plus a \$20,000 matching grant from Nebraska Community Foundation
- \$3,000 to Southwest Nebraska Community Theatre Association for losses due to COVID-19
- \$4,000 to St. Patrick Elementary School to purchase iPads for sixth, seventh and eighth graders
- \$1,232 to the McCook Fire Department for filtering systems to protect EMTs and patients

IN JUST TWO MONTHS, MORE THAN \$90,000 HAS BEEN GRANTED FOR PANDEMIC RELIEF AND RECOVERY!

McCook Community Foundation Fund is connecting and impacting our community through intentional investments of time and financial resources with the goal of making our community an even better place to call home. Since its formation in 2001, the Fund has granted nearly \$400,000 to community organizations. The grants have benefited McCook and the surrounding area in many ways, from youth programs to services for the elderly, from education and cultural activities to large and small community projects.

McCook Community Foundation Fund is an affiliated fund of Nebraska Community Foundation.
