

What is the Crofton Community Foundation Fund?

The Crofton Community Foundation Fund was launched in 2010 as an affiliated fund of Nebraska Community Foundation. Now part of a statewide movement to spearhead community development and create future prosperity, the Fund is working to build a robust endowment to benefit our community long into the future.

The mission of the CCFF is to establish a financial base for the citizens of Crofton and the surrounding area so we can continue to have a prosperous community and strive to add to the betterment of the area. We are focused on raising funds that can be used for special community projects and help grow our community unrestricted endowment.
