

BCAFF

Butler County Area Foundation Fund

Our Vision

Butler County is a vibrant place that cultivates:

-  A strong, local economy and quality of life
-  Resources that meet the needs of all
-  Engaged citizens and organizations
-  A culture of giving

Our Mission

Our mission is to enrich the quality of life in Butler County by:

-  Acting as a catalyst for positive change by encouraging collaboration and cooperation among community members.
-  Providing a means for citizens to give back to their community.
-  Building an endowment to provide funds for projects that will enhance the county's long-term success.
-  Identifying needs and providing grants to build a better future for Butler County.

Our Values

Leadership: We listen to what people in the communities want and try to serve as best as we can. We strive to be a valuable resource and vital to the success of Butler County.

Trustworthy: We are honest, dependable, accountable, and fair. We care and have the communities at heart. Good stewardship of the funds we receive is very important to us.

Future Minded/Goal Oriented: We believe in planning for the next generation's future. We are adaptable to change and all that can better the communities. Being forward thinkers is essential to completing goals in a timely manner.

Collaborative: We encourage people from all communities to work together to accomplish a common goal. We convene to make things happen.
