Over the next 10 years in Nebraska, more than **$100 billion** will transfer from one generation to the next. In 50 years, that number exceeds **$950 billion.** This phenomenon has come to be known as the intergenerational transfer of wealth. There is always a transfer from generation to generation, as parents pass away and leave their estate to their children. But if the heirs no longer live where they grew up, that wealth may leave as well.

WHAT WE KNOW

1. Nebraska has incredible wealth and ALL Nebraska communities have wealth to give.
2. The wealth is transferring NOW and we must act with urgency.
3. Our communities need these assets and many are already successfully putting them to work.
4. When we leave some of our wealth to the places where it was made and accumulated, we can ensure a more prosperous future for our Nebraska hometowns.

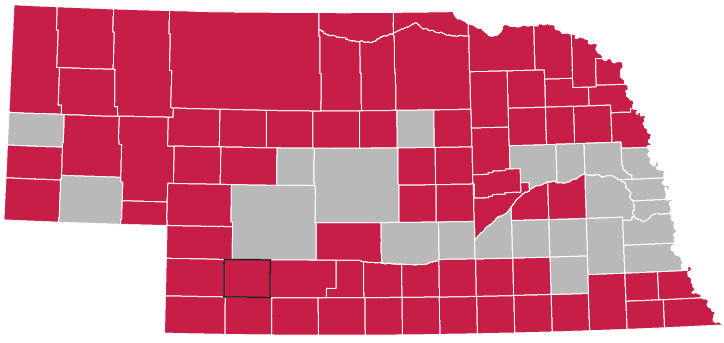
THE OPPORTUNITY IS MASSIVE

Over the next 10 years in Hayes County, $162 million will transfer from one generation to the next. In 50 years, that number exceeds $1.7 billion. The wealth may be held in real estate, securities, retirement accounts, and other assets. Some will go to taxes. Most will go to heirs. Due to outmigration, many of those heirs no longer live where the wealth was built and may no longer feel connected to those places. Once wealth leaves our communities, the opportunity for give-back becomes more and more unlikely.

THE TIME IS NOW

Many Nebraska counties are approaching or are already in the midst of their peak transfer years. In other words, there is real urgency to act now. The opportunity will never be greater.

TIMING OF PEAK ESTATES



2021–2045 2046–after

THE SOLUTION IS SIMPLE

We must act now to encourage charitable investment in the future of our communities while the window of opportunity is open. We must teach, encourage, and inspire generous Nebraskans to give back today, and include their community in their estate plans for tomorrow. Imagine if just five percent of this abundance were given back to the places where it was made and accumulated.

This is your opportunity to enrich Hayes County's future. We're asking you to consider leaving just five percent of your assets to your favorite Nebraska hometown or to Nebraska Community Foundation to benefit all of our communities. When you leave just five percent to a community's endowment, you can secure your family's legacy and help your hometown thrive.
