Wallace Community Foundation Fund is an affiliated fund of Nebraska Community Foundation.

INSPIRING LASTING INVESTMENTS FOR IMPROVEMENTS NOW AND INTO THE FUTURE.

ABOUT THE FUND

The primary goal of the Wallace Community Foundation Fund is to grow an endowment through which gifts made today can serve the community for generations.

Similar to a community savings account, unrestricted endowments are an important tool to keep hometowns across Nebraska growing, thriving, and improving for future generations. While a portion of the income earned by the endowment is granted annually to fund projects and programs to benefit the community, the principal remains intact and grows every year. Forever.

Our grants have benefited a wide variety of worthy projects and causes from life-saving equipment for our local fire department, to technology for our library, and investments in our youth.

Building our endowment will put philanthropy to work in our hometown, providing a steady stream of resources for community improvements today and investments for tomorrow. Together, we can build a brighter future for Wallace and create a community that our children and our children's children are proud to call home.

HOW THE WALLACE COMMUNITY FOUNDATION FUND WORKS FOR YOU

When you make a gift to the Wallace Community Foundation Fund, you are playing an important role in the future of our community. Here are a few ways you can invest in our hometown:

- Gifts of cash
