The Future is Bright!

About Us

The Diller Community Foundation Fund is dedicated to enhancing the quality of life in Diller, Nebraska, and its surrounding areas. As a steadfast supporter of our close-knit community, we strive to empower local initiatives, foster growth, and create lasting opportunities for residents of all ages.

What We Do

GRANTMAKING We invest in projects that make a meaningful impact on the lives of Diller residents. From education and healthcare to cultural events and infrastructure, we support initiatives that enrich the well-being of our community.

COMMUNITY DEVELOPMENT We actively engage with local leaders, organizations, and residents to identify opportunities to build a resilient and thriving community.

DONOR SERVICES We assist donors in fulfilling their philanthropic goals and supporting their passions and values.

What is an Unrestricted Endowment?

Diller Community Foundation Fund is focused on building an unrestricted endowment. Similar to a community savings account, unrestricted endowments are an important tool to keep hometowns across Nebraska growing, thriving and improving for future generations. While a portion of the income earned by the unrestricted endowment is granted annually to fund projects and programs to benefit the community, the principal remains intact and grows every year. Forever.

Investing in the future of Diller
