Scholarship Committee Nominees

Please list 4-7 nominees for the Scholarship Committee. At least one must be a current member of the FAC.

Family members (e.g., parents, grandparents, siblings, spouses, children, and grandchildren, including spouses and step-relatives) of prospective scholarship applicants are ineligible to serve on the scholarship committee. Donors may serve on a scholarship committee; provided, however, that they and their family members and/or those affiliated with their businesses do not directly or indirectly control the scholarship committee.

Acknowledgement

The FAC nominates the above-named individuals to serve on its scholarship committee. To the best of my knowledge, the group of individuals nominated would not cause the committee to be “donor controlled” with respect to any of the scholarships listed above. All scholarships will be awarded in accordance with NCF’s Scholarship Policy.
