LEADERSHIP FROM EVERY SEAT

Meeting Challenges

- How could any FAC member help move the situation forward?
- What could someone say to interrupt, redirect, or advance the conversation?

1. THE ENDLESS DISCUSSION

We all agree, but people keep repeating the same point.

2. THE AGENDA DRIFT

The conversation has wandered far from the agenda

3. THE QUIET TABLE

Only two people are talking.

4. THE MISSION DISCONNECT

An idea sounds exciting but doesn't seem aligned with the community vision.

5. THE NO FOLLOW-THROUGH PROBLEM

Great ideas are discussed, but nobody owns next steps.

6. THE PARKING LOT ISSUE

A valuable topic arises, but now isn't the right time.
